

## CHENNAI, INDIA, JAN. 26, 2005

I am going to India toward the end of January 2005 with the wonderful guitarist Prasanna. We will be playing in Chennai (Madras) at the Saarang Cultural Festival on Jan. 26th. Derico Watson will be playing drums and Kai Eckhart will be on bass. This will be my first trip to India and I am really looking forward to it!

Check out Prasanna's new CD "Be the Change", which Derico, Vic Wooten, myself and a whole bunch of others played on at Prasanna's web site.
